Phishing Alert

Watch out for these fake LinkedIn emails

We've received multiple reports about these fake LinkedIn emails. They claim that your LinkedIn profile has appeared in multiple searches and provide links you can click on to get more details. These links lead to malicious websites designed to steal your personal and financial details.

Always question unsolicited requests for your personal or financial information in case it's a scam. Never automatically click on a link in an unexpected email or text.

For more information on how to stay secure online, visit www.cyberaware.gov.uk
