

**NORTH CRAY RESIDENTS ASSOCIATION**

[www.northcrayresidents.org.uk](http://www.northcrayresidents.org.uk)

Dear Mrs Acton,

**Subject : Ref 17/03114/FUL 8 High Beeches -extensions and alterations to  
roofline etc**

Normally, our Association does not express views on planning applications for house extensions. However, we see that in this case, it concerns a house in the High Beeches Conservation Area.

What is being asked for does seem to be major change to this house, especially as regards the street scene and the proposed dormer windows at the front.

We understand that the planning & conservation sub-committee of The Bexley Civic Society also has concerns and will be writing to you, and so this is to confirm that we support what they say.

In view of the sensitivity of the location, may we ask please that the views of Bexley's heritage officer also be sought?

Yours sincerely

Jean Gammons  
Secretary
