Dear Resident,

As you may be aware the ward boundaries which divide the borough of Bexley changed in May of this year, this has meant that the ward you live in may have changed and the Safer Neighbourhood Team which Police your area may also have changed.

The St. Mary's & St. James' Safer Neighbourhood Team would like to invite you to a 'Meet and Greet' at the **Old Dartfordian's Community Sports Club** on **Thursday 18th October 2018**, between **6pm to 8pm**. This will be an opportunity for the residents of the ward to meet the team who police the area they live and work in.

Each Ward has a panel of people who live and/or work on the ward who will meet quarterly in order to discuss matters such as, recent crime figures and policing priorities for the following 3 months. The Ward Panel also play an important part in maintaining communication between the community and policing team throughout the year regarding a wide range of issues, and distributing information from the policing team back to the community.

The St. Mary's & St. James' ward panel will be recruiting members to join them at the above Meet and Greet.

Should you require more information about this meeting or becoming a member of the Ward Panel please contact the policing team using the details at the bottom of this letter.
