

A photograph of a bird, possibly a sparrow or similar small bird, perched on a wooden fence post. The bird is facing left and has a white patch on its head. The fence is made of vertical wooden planks. In the background, there are bare tree branches. At the bottom of the image, there is a curved wooden railing, likely from a deck or balcony.

Just for a laugh I would like to report the theft of a can of WD-40 from Gattons way. Here is a photo of the suspect. Alex Piper
