

# SHEducation

**Theft from sheds and garages in Bexley account for 1/3 of all reported burglaries.**

**S**ecure access to your shed/garage by walls and fences.

**H**ave you visibly marked the contents of your shed? Make a note of the serial numbers and photograph valuable items and garden ornaments.

**E**xternal security day and night lighting is a deterrent.

**D**oors of sheds require attention. Use strong pad bars and locks. Fit a padlock to your garage door. Fit grills across windows.

**U**se coach bolts of non-return security screws to secure your door hinges. Chain cycles, mowers, ladders and tools TOGETHER.

**A**larms for sheds/garages are readily available.

**T**ogether we'll crack crime. Is there a Neighbour watch scheme in your area? Call 020 8284 9244 for your local Neighbour watch coordinator.

**E**xactly what insurance do you have? Does it cover theft from your shed, garage or garden?

Property in your shed may have a greater value than you think. Burglars steal power and hand tools, bikes and sports equipment. Stolen hand tools, like screwdrivers, aid burglars breaking into homes.

**TAKE ACTION NOW.** Secure your shed, mark your property and install lights and alarms.

**Do whatever you can to deter a Burglar and please, don't become a victim of crime**

### Immobilise

A free register for personal property, including mobile phones, bikes, computers and other valuables. The advantage of this system is that all your serial numbers are recorded in one place.

Police regularly check second hand dealers, if your property is registered and lost or stolen.

It can be traced back to you.
